Service Information (Check appropriate information)

Service Type:

Service Voltage:

Service Location:

Main Switch Size (Amps):

Other:

Attach a site plan (and a photograph of proposed service location) showing the outline of the dwelling, property lines, existing and proposed service locations.

Proposed Start Date:

This form must be filled out completely before it can be processed. This form will be sent back to the applicant after review. This application is for Temporary Service ONLY. A Separate "Utility Application" must be completed for the Permanent Service.

Filling out the Electrical Permit Application does not mean you can start work on your project. You will need the actual permit in hand to begin.

Full payment will need to be made before electrical equipment or materials are ordered. If not paid in full, could delay the length of time it will take for material to arrive. There is a lag time on getting materials.

Lease Note: Temp & or Final Electrical service require an application for utility service for Billing service for billing purposes. Deposits may be required. Fee for Temporary power is \$105.00.

ALL work per NEC and CPA Standards. CALL the Electric Department 307-587-6803 to setup an appointment for hook-up. CALL the Building Department to schedule an inspection at 307-527-3469. CALL the Electric Department for a service Disconnect/ Reconnect. Fees must be paid prior to installation.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Electronically filed documents must include a signature block and the name of applicant. The name must be preceded by a "s/" and typed in the space where the signature would otherwise appear. See the following example for the proper format-s/John Doe. A signature on a document submitted electronically shall have the same effect and shall be as valid as a signature on an application delivered in person or by mail. By signing and submitting the application, whether submitted in person or electronically, the applicant affirms that the information contained therein is true, accurate and complete to the best of the applicant's knowledge. Any false, misleading or incomplete answers shall be a basis for denying the application.

Signature:

Date:

For Office City Use-Must be disturbed before Building Permit is Issued.
